School Profile Statement

Avenues Education is a South East Victoria Region (SEVR) outreach government school that works in partnership with Child Youth Mental Health Services (CYMHS Alfred and Eastern Health). CYMHS refer students to Avenues Education to provide targeted educational services for individual and groups of students experiencing social, emotional, and/or mental health difficulties in accessing education. Students participating in Avenues Education retain enrolment in their school of origin. Depending on the program and individual health needs, students undertake sessions with Avenues Education either at their school of origin or at Avenues Education locations. In our outreach education program locations, we have a shared duty of care for our students with the Alfred and Eastern Health Child and Youth Mental Health Services.

Purpose

The purpose of this policy is to explain Avenues Education's commitment to making sure every member of our school community, regardless of their background or personal attributes, is treated with respect and dignity. This policy should be read alongside the following Department of Education and Training policies:

- [Equal Opportunity and Human Rights - Students](#)
- For staff, the [Respectful Workplaces](#) policies (including [Equal Opportunity and Anti-Discrimination](#), [Sexual Harassment](#) and [Workplace Bullying](#)) as these whole of Department policies apply to all staff at Avenues Education.

Inclusion and diversity

Avenues Education strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff. Avenues Education committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Avenues Education acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Avenues Education we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Avenues Education will:

- actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Avenues Education. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Avenues Education also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school will consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our school's Student Wellbeing and Engagement policy for further information.

Communication

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website

- Included in staff handbook/manual
